JACKIE SIEGEL ENDORSES DR. NIZAM RAZACK FOR UNITED STATES CONGRESS IN FLORIDA'S 11TH DISTRICT

Businesswoman, Philanthropist, Actress, and Community Leader Backs Dr. Razack's Common-Sense Conservative Vision

ORLANDO, FL — Dr. Nizam Razack, Republican candidate for the United States House of Representatives in Florida's 11th Congressional District, is honored to announce the endorsement of Jackie Siegel.

Widely known as a successful entrepreneur, philanthropist, actress, model, and community advocate, Siegel has earned national recognition for her charitable work, business leadership, and dedication to improving the lives of families throughout Florida and across the nation.

In announcing her endorsement, Siegel praised Dr. Razack's character, accomplishments, and commitment to serving the people of Florida.

"Dr. Nizam Razack has spent his life helping others. As a world-renowned neurosurgeon, educator, attorney, businessman, and community leader, he has demonstrated compassion, integrity, and an unwavering commitment to improving the lives of those around him. Washington needs more problem-solvers and fewer politicians. Dr. Razack is exactly the kind of leader we need representing Florida in Congress."

Dr. Razack expressed his gratitude for the endorsement.

"I am deeply honored to receive Jackie Siegel's endorsement," said Dr. Razack. "Jackie has devoted countless hours to charitable causes, community service, and helping families in need. Her commitment to giving back reflects the values that have guided my own life and career. I am grateful for her friendship, support, and confidence in our campaign."

Throughout his distinguished career, Dr. Razack has built a reputation as a physician, educator, attorney, entrepreneur, and advocate for patients and families. As a board-certified neurosurgeon, he has cared for thousands of patients while pioneering advancements in neurological surgery and medical technology.

His campaign is focused on restoring common-sense leadership in Washington by strengthening election integrity, securing the border, protecting constitutional freedoms, reducing healthcare costs, supporting medical freedom, protecting children from harmful AI technologies, defending parental rights, restoring fiscal responsibility, and putting American families first.

"Dr. Razack understands that public service is about serving others, not serving yourself," Siegel added. "His life story, professional achievements, and commitment to helping people make him uniquely qualified to represent the citizens of Florida's 11th Congressional District."

The endorsement adds to the growing momentum behind Dr. Razack's campaign as supporters across the district rally behind his message of principled leadership, constitutional government, and common-sense solutions.
